

welcome
April

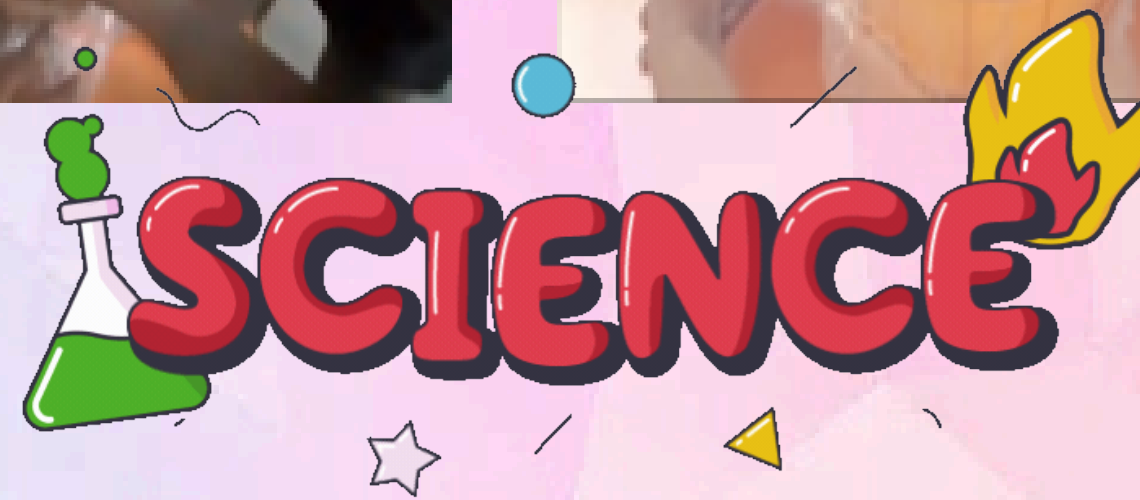

National Science day was celebrated with great zeal on Feb 28th by the budding scientists of Shiksha.

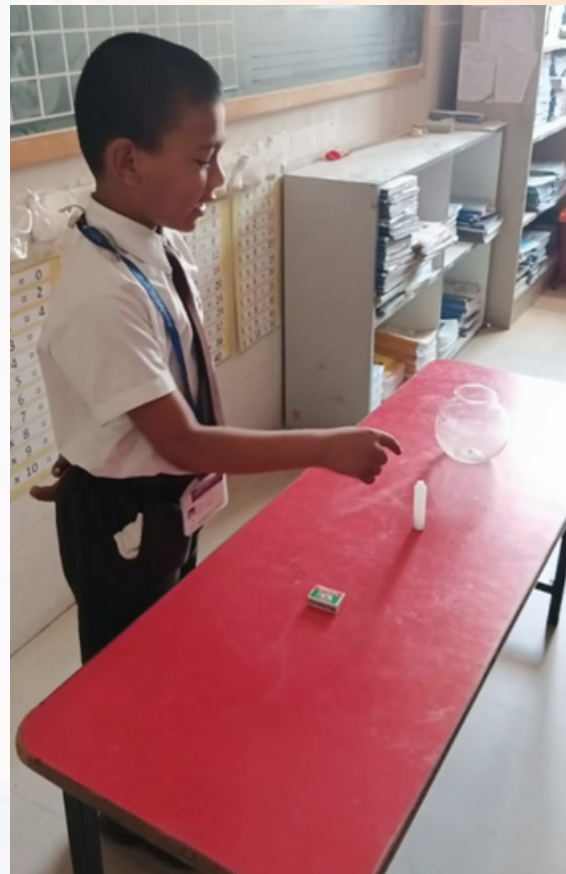

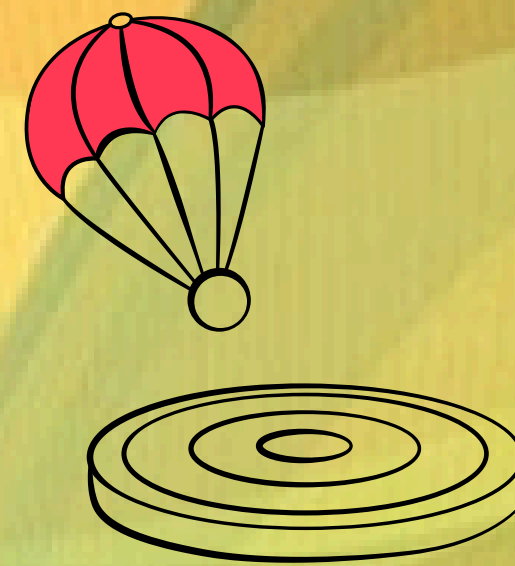

The celebration included science exhibitions, lectures, model making and other interesting activities which raised the students awareness about science and its role in shaping the future.

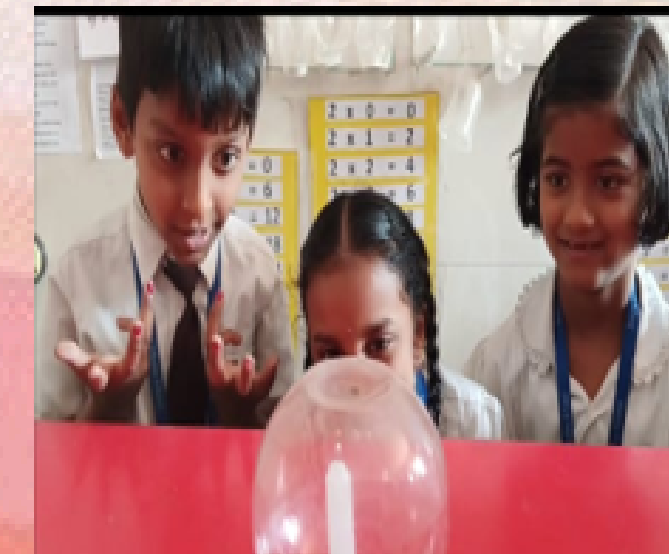

The grade 2 students had great fun learning about sound with two cool experiments. The Vibrating sugar granules activity showed how the granules vibrate when on souts claps near a sugar. They also explored echo sound activity.

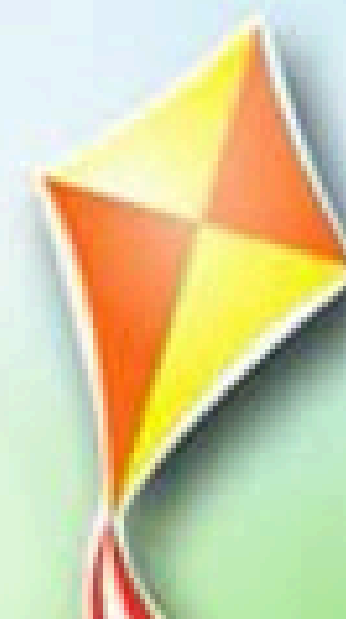

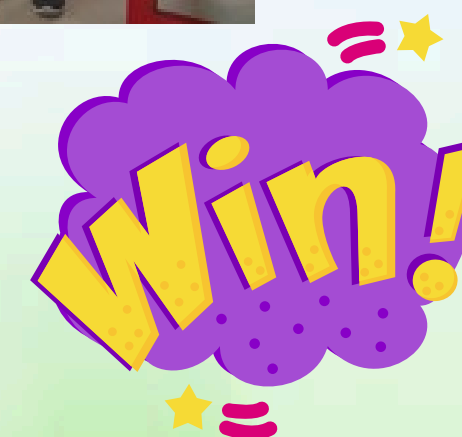

The 1st graders enjoyed learning about air through exciting activities. The children discovers that air helps in combustion when a candle went out when covered with glass. The children actively participated in making paper rockets fly in the process learning how air helps things move.

The ' Talent Hunt event' certificate distribution ceremony was joyous day for all the kindergartners of Shiksha Niketan.

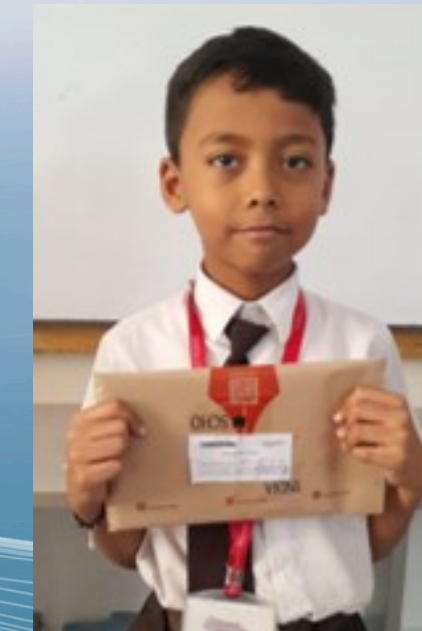

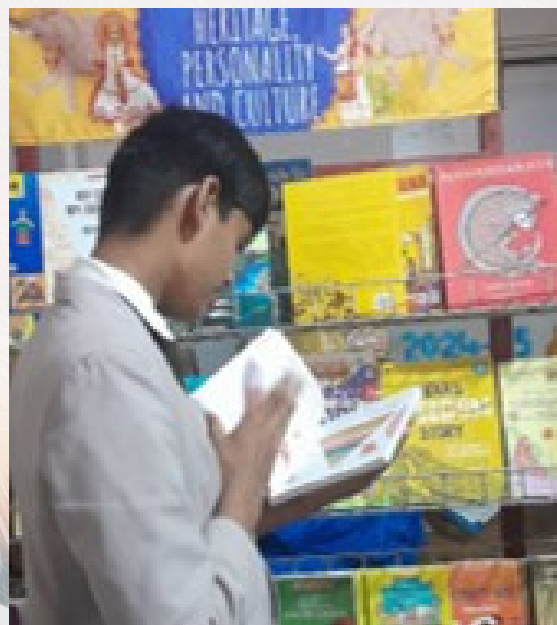

The event celebrated the creativity, confidence and unique talents of our youngest learners, not only recognizing their participation, but also encouraging them to explore their interests and express themselves freely.

Scholastic Book Carnival: A Celebration of Stories and Imagination

Scholastic Book Carnival at Shiksha Niketan School was a grand celebration of books, creativity, and the love of reading. The event brought together enthusiastic students, dedicated teachers, and passionate book lovers, all united by the magic of storytelling. A highlight of the day was the presence of Vidya Varadarajan, a celebrated author whose books, including My Blue Elephant and the AKA Detective Series, have captivated young minds across the country. Her visit was an inspiration for our students, who eagerly interacted with her, asked insightful questions, and learned about the fascinating journey of a writer. The carnival featured an exciting collection of books, engaging activities, and interactive sessions designed to spark curiosity and imagination. From thrilling mysteries to heartwarming tales, there was something for every young reader to explore. The event was a resounding success, leaving students motivated to embark on new literary adventures. At Shiksha, we remain committed to nurturing a lifelong love for reading in our students. Here's to more stories, discoveries, and the joy of books!

Shreyashree S of 7th B and Advik S H of 3B1 won the lucky draw.

💙 Blue Day Celebration at Shiksha Toddlers 💙

Blue Day is a special colour concept celebration where everything turns into a beautiful shade of blue! 💧 ✨

Our little ones celebrated this vibrant day through a variety of fun and engaging activities – all centered around the colour blue. From dressing up in blue attire to participating in creative art, craft, and learning sessions, the entire day was filled with joy, learning, and a splash of colour!

Through this celebration, children not only learned to recognize and relate to the colour blue but also explored it through sensory play and imaginative expression.

📷 Swipe through the delightful moments captured as our toddlers immersed themselves in a world of blue!

🌟 Creative Culmination – Phase 2 at Shiksha Toddlers 🌟

We are thrilled to present the second phase of our Creative Culmination, a very special event where our little learners at Shiksha Toddlers take the spotlight! This event is a meaningful opportunity created by Shiksha for parents to witness their children confidently showcasing their talents and the knowledge they've gained. From creative displays to interactive presentations, our toddlers are exploring and presenting various topics taught in school — all in their own unique and delightful ways.

📸 Take a look at these wonderful snapshots capturing the vibrant learning environment and the enthusiasm of our young stars.

🎨 Notice how beautifully we've displayed the topics in innovative formats, and most importantly, see the joy and confidence in the faces of our Shiksha little ones as they share their learning journey with their parents.

It's not just a performance — it's a celebration of learning, growth, and creativity!

Valedictory Ceremony – Grade 10 (Batch 2024-2025) The valedictory ceremony for the Grade 10 batch of 2024-2025 was held on March 8, 2025, marking a memorable conclusion to their journey at our school. The occasion was graced by our esteemed Principal, Vanitha Ma'am, along with the presence of dedicated teachers who have been pillars of support throughout the students' academic journey. As a heartfelt token of appreciation, mementoes were presented to the outgoing batch, symbolizing love, encouragement, and cherished memories. The event concluded on a note of gratitude and camaraderie, leaving a lasting impression on everyone

present.

The future actors, directors and storytellers of Shiksha have embraced dramatics with unmatched enthusiasm, guided by the expert trainers from ASDA International.

Their structured yet engaging approach has helped students build confidence, improve stage presence and understand the art of story telling. At Shiksha Niketan school we take immense pride in providing our students with opportunities to grow holistically, and look forward to many inspiring performances in the future.

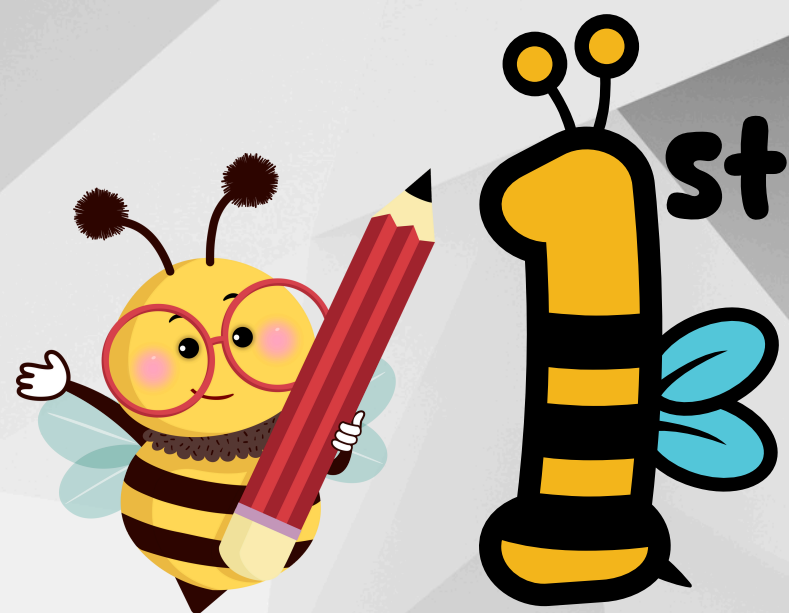

The much awaited UKG Graduation ceremony was a heartwarming occasion that marked the culmination of a remarkable journey for the little ones during the ceremony the children proudly spoke about the beauty of diversity showcasing the inclusive spirit of the school during a child's formative years.

The little ones confidently spoke about their growth, experiences and the essential role the teachers had played in shaping their personalities.

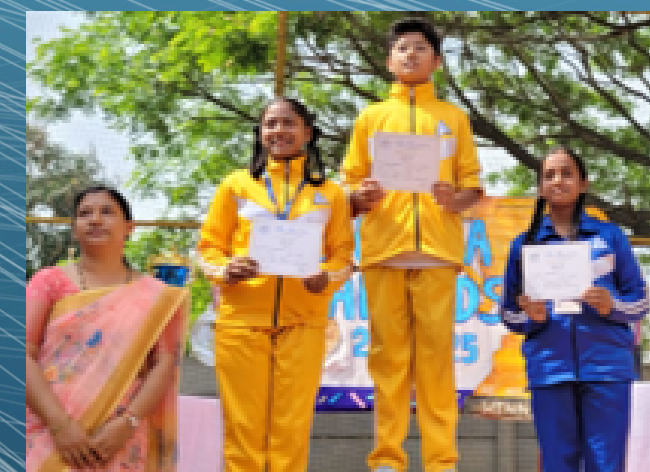

Shiksha eagerly awaits their entry to Grade 1.

Welcome!
