

Hello  
december

# Mirror Magic: Learning Science Through Reflections

The fun doubled as students happily read their laterally inverted names in mirrors, turning science learning into an exciting experience!

They explored its application in periscopes and kaleidoscopes, discovering how light creates amazing images and patterns.

Reflections in Action! Grade 6 students enjoyed a hands-on learning session on multiple reflection

# “Little Bees, Big Lessons on Pollination”

By actively participating in the role play, students not only enjoyed themselves but also gained a clear and memorable understanding of the important role honeybees play in nature.

This hands-on activity helped children understand how pollen transfer allows plants to produce seeds and grow new plants.

Grade 1 students explored the fascinating world of pollination through a fun honeybee role play.

# “Swinging for Glory: Inter-House Cricket Competition”

It promotes teamwork, sportsmanship, and a sense of unity

Inter-house cricket is a fun and competitive event where different school houses compete against each other

This event is a highlight of the year, bringing excitement and friendly competition between the participants

# “Our Primary Star: Karna’s Moment to Shine”

“Karna from the Primary section, performed brightly during the school celebrations, spreading joy to everyone.”

Their confidence, cheerfulness, and active involvement made the event more lively and memorable, showing that even the smallest stars can light up the whole stage.

With enthusiasm and a bright smile, they participated with full energy, spreading joy to everyone around.

# Building Responsible Citizens at Shiksha Niketan”

The programme encouraged awareness, responsibility, and respect for laws among young learners

Shiksha Niketan hosted a Social Awareness Programme led by police officers to educate students about their responsibilities and the rules to follow in society.

The officers explained the importance of law, safety, and good citizenship, highlighting how small actions contribute to a harmonious community

# Thank You
