A DAY FILLED WITH SUNSHINE, SMILES, AND HAPPY HEARTS! 🌞 🌻

Our campus came alive with warmth and colour as our little stars celebrated Yellow Day with bright smiles, joyful laughter, and wonderful enthusiasm. Dressed in lovely shades of yellow, the children immersed themselves in the beauty of this cheerful colour through engaging activities, creative art, melodious songs, captivating stories, and hands-on learning experiences.

House Captain & Vice Captain Elections

Our school successfully conducted the elections for House Captains and Vice Captains, providing students with a meaningful platform to experience the spirit of democracy and leadership.

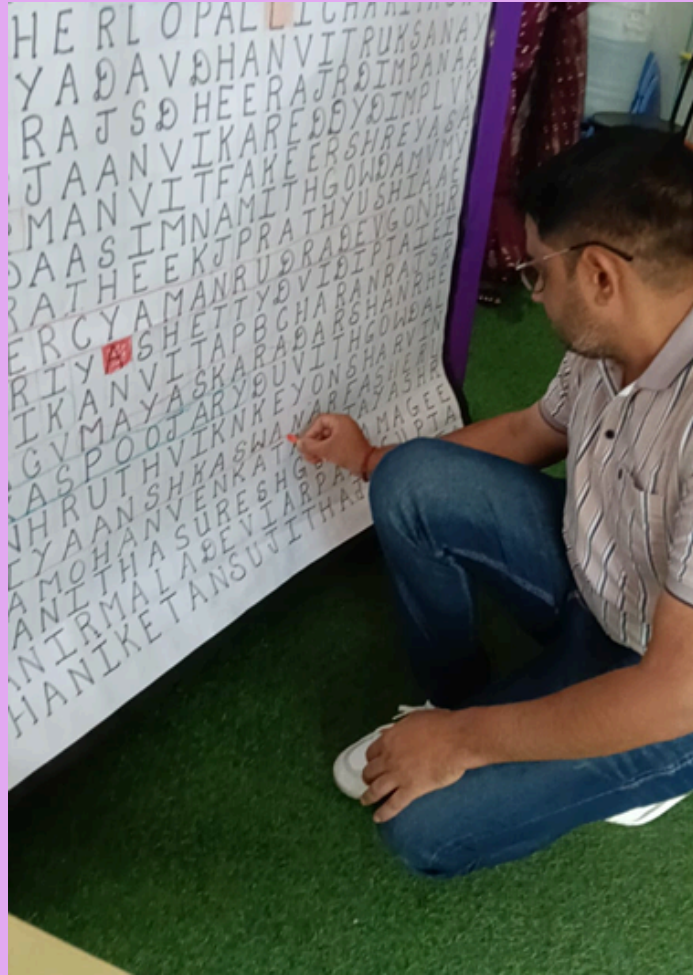

Investiture Ceremony

Investiture Ceremony at Shiksha Nikethan is a prestigious occasion where the newly elected student leaders are formally entrusted with their responsibilities. The ceremony celebrates leadership, discipline, and service as students receive their badges and take the oath to uphold the values and traditions of the school. It inspires them to lead with confidence, integrity, and dedication while setting a positive example for their peers.

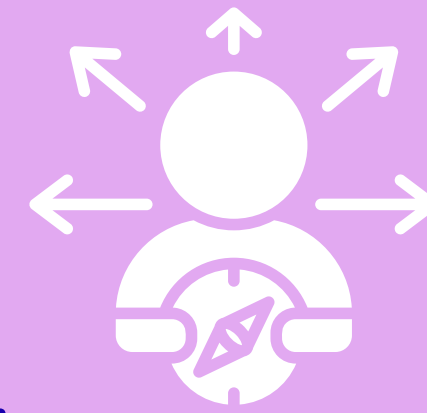

ORIENTATION DAY – A NEW BEGINNING!

Every great journey begins with a single step, and today we proudly welcomed our new families to the Orientation Day at Shiksha. The session was filled with meaningful conversations, inspiring insights, and a shared vision of nurturing confident, curious, and compassionate learners.

Parents had the opportunity to meet our dedicated educators, understand our learning approach, and discover how we work together to create a joyful and enriching educational experience for every child. We sincerely thank all the parents for being a part of this special beginning.

MUSICAL JAMMING EVENT

Musical Jamming at Shiksha Nikethan is a lively celebration of music, creativity, and togetherness. Students come together to sing, play instruments, and share their musical talents in a fun and energetic atmosphere. The event encourages confidence, teamwork, and self-expression while creating joyful memories through the universal language of music.

A SPLASH OF RED, A DAY FULL OF JOY!

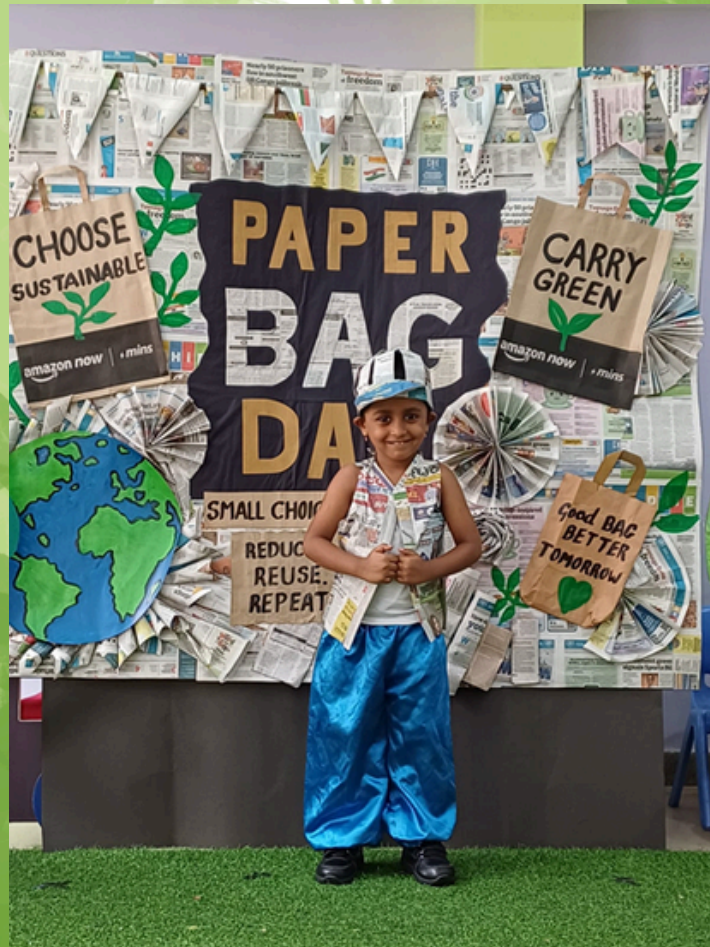

Red Day Celebration at Shiksha Kindergartners: The children joyfully celebrated Red Day by playing a fun 'Pick the Right Colour Ball' game and taking part in a creative balloon-painting activity for their craft books. The experience made learning engaging, interesting, and truly joyful!

CREATING, LEARNING & GOING GREEN!

Our young learners joyfully celebrated Paper Bag Day by discovering the importance of choosing eco-friendly alternatives to plastic. Through engaging discussions, creative paper bag making, and fun-filled activities, they learned that every small step toward protecting our environment truly matters.

DISCOVERING THE SQUARE: LEARNING THROUGH PLAY

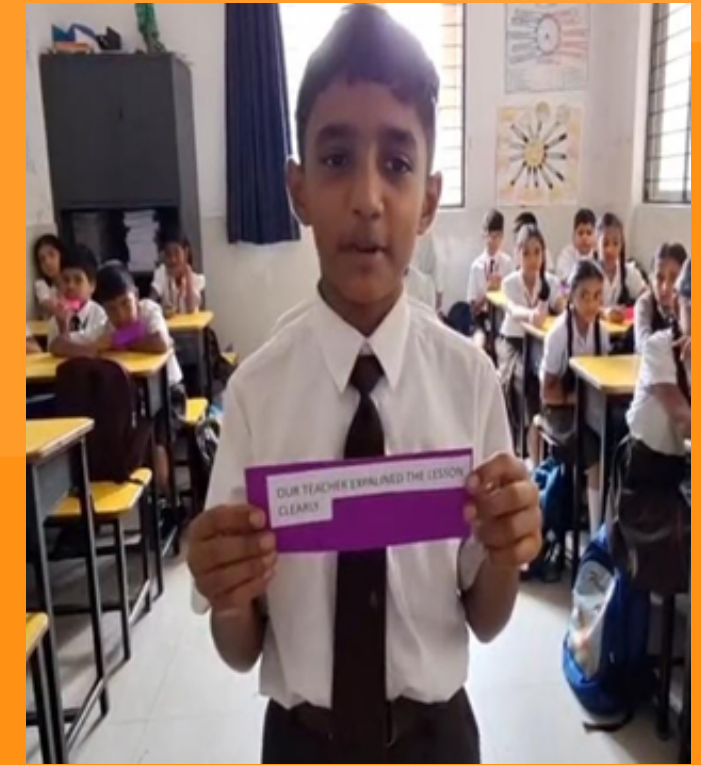

Learning came alive as our little learners explored the world of squares through fun activities, interactive games, and real-life examples. They discovered that a square has four equal sides and four corners while developing observation, critical thinking, and problem-solving skills.

Through hands-on exploration and creative activities, every child learned with joy, curiosity, and confidence. At Shiksha, we believe that learning becomes meaningful when children play, explore, and experience.

 *Every shape sparks a discovery, and every discovery inspires a lifelong love for learning!*

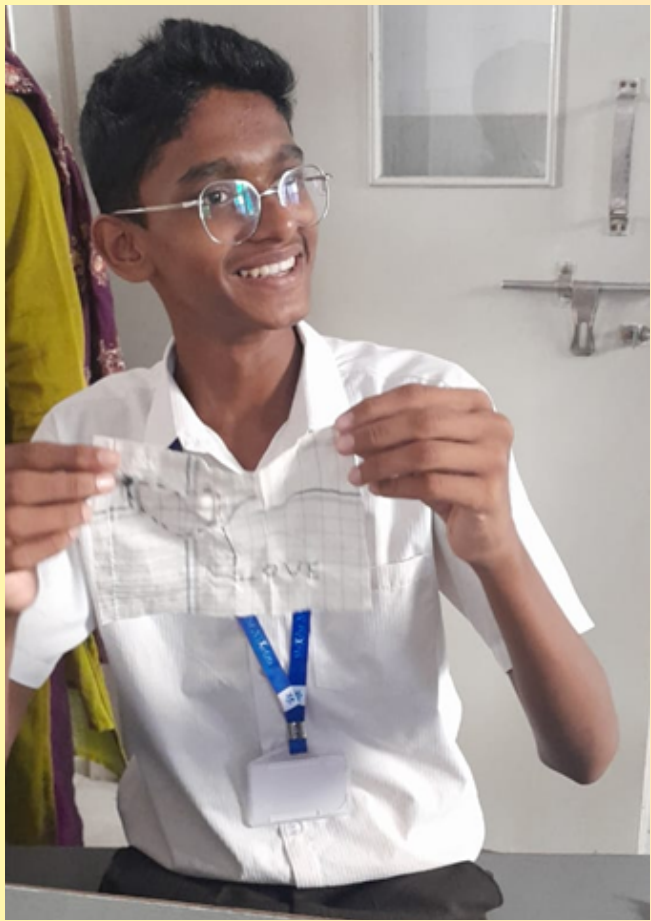

Sentences are the building blocks of language. They help us express our thoughts clearly. This activity helped children understand the concept easily.

WORDS THAT SPEAK: EXPLORING THE WORLD OF SENTENCES

Subject: A subject tells us who or what is doing the action or being described. Predicate: A predicate tells us what the subject does, has, or is. It includes the verb and everything that comes after it.

“STITCH TO PATCH”

Students of Grades 8, 9, and 10 took part in a wonderful competition where they collected small pieces of cloth and stitched them together to create something beautiful and useful. It was a celebration of creativity, patience, and care all in one!

"FEED THE COLOR MONSTER"

At Shiksha Kindergartners, every activity is thoughtfully designed to make learning fun while nurturing essential developmental and life skills.

Through activities like Prick and Pluck, children strengthen their concentration, pincer grasp, and hand-eye coordination, while Palm Print Craft helps develop fine and gross motor skills, body coordination, creativity, and early writing readiness.

A WORLD OF DOLLS: UNLEASHING CREATIVITY

Every doll reflected a child's imagination, making the activity both joyful and meaningful.

Our little learners enjoyed a fun-filled paper doll-making activity that brought creativity and imagination to life.

LITTLE HANDS, BIG ADVENTURES: SMALL TENT MAKING

Our little learners enjoyed an exciting small tent-making activity, where they explored creativity, teamwork, and hands-on learning. Using simple materials, they designed and assembled their own mini tents, turning their ideas into colourful creations.

The activity helped children develop fine-motor skills, problem-solving abilities, coordination, and imagination while learning through joyful experimentation.

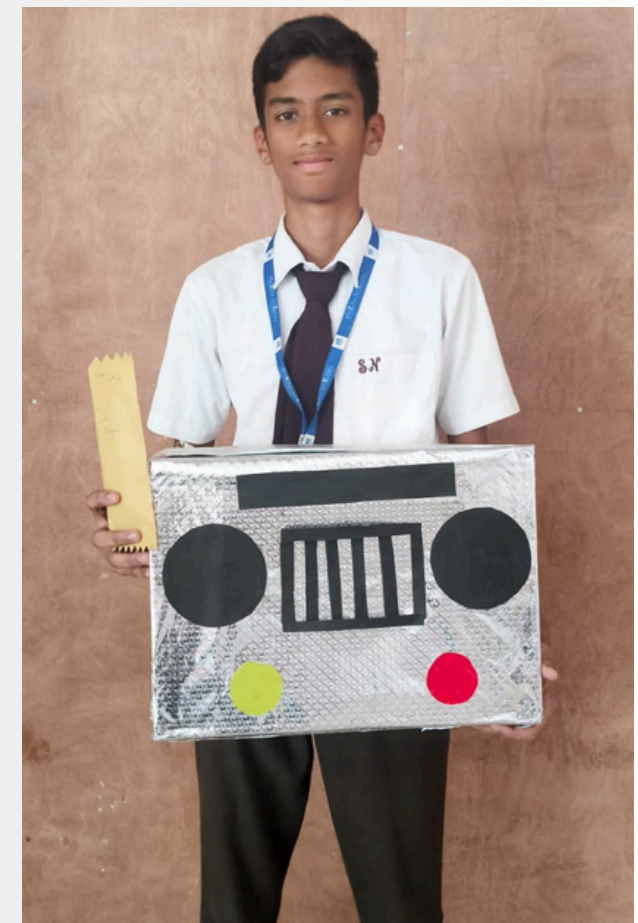

*Building little tents,
creating big memories!*

RADIO SHOW & LUCKY DIP: SPREADING JOY!

Our Class 9B & 10B students added extra excitement to the school day with an engaging Radio Show and Lucky Dip activity. Winners from 8th, 9th, and 10th were felicitated with delightful chocolates, making the celebration even more special.

HONOURING ACADEMIC BRILLIANCE

***Our Scholar Badge
Distribution Ceremony
was a proud celebration of
academic excellence and
dedication. The badges
were awarded to deserving
students in recognition of
their hard work,
perseverance, and
outstanding scholastic
achievements.***

Thank You!

We appreciate your time and continued support.
