Rakhi Rhythms & Joyful Moments

Shiksha celebrated Raksha Bandhan with great joy and enthusiasm. The children delighted everyone with a lively dance performance and beautifully made colourful rakhis. They lovingly tied the handmade rakhis to their tiny brothers, celebrating the special bond of love, care, and togetherness.

Voices of Freedom, Spirit of India

Shiksha Niketanites celebrated Independence Day with immense pride, patriotism, and passion. The spirit of freedom came alive as students stepped into the roles of legendary freedom fighters through a vibrant Fancy Dress Competition.

Celebrating Young Minds Through Gedanken

A Gedanken Competition was conducted at Shiksha Nikethan, providing students with a wonderful platform to express their thoughts, ideas, and creativity. The participants showcased their confidence, imagination, and communication skills with great enthusiasm. The event encouraged students to think independently.

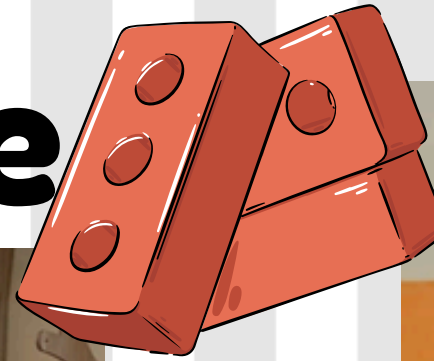

A Breath of Nature

The majestic banyan tree, with its long hanging roots, gently sways beside the lush green leaves shining in the sunlight. In that quiet moment, she discovers how beautifully nature refreshes the mind and brightens the heart. "Sometimes, all we need is a deep breath, a little sunshine, and the beauty of nature to make our hearts shine." 🌳💨☀️

Strengthening Muscles, Building Confidence

The Strengthening the Muscles Game was conducted for our Kindergarten students to help develop their muscle strength, coordination, balance, and confidence in a fun and engaging way. The little ones enthusiastically participated by pushing a brick along the path marked with tape,

Melodies of Patriotism

As part of the Independence Day celebrations, a Patriotic Song Competition was conducted for the students. The participants showcased their singing talent, rhythm, and confidence through beautiful patriotic songs. Their melodious performances filled the atmosphere with pride and patriotism, reflecting their deep love for the nation

A Journey of Dedication and Determination

Varun Kumar of Class 9 B proudly participated in an International-Level Karate Competition held in Shivamogga and secured second place. His achievement reflects his hard work, discipline, consistent practice, and unwavering determination. With perseverance and a strong sporting spirit, Varun has demonstrated that dedication and confidence pave.

The Story Behind Our Tricolour

On the occasion of Independence Day, the students of Grades 3, 4, and 5 presented a special assembly highlighting the life and contribution of Pingali Venkayya, the visionary behind the design of our National Flag. Through this meaningful presentation, students learned about his remarkable contribution and the importance of remembering the unsung heroes who helped shape our nation's identity.

From Soil to Harvest: Understanding Farming

Our Grade 4 students from 4A1, 4A2, 4B1, and 4B2 explored the fascinating Stages of Farming through an engaging learning activity. From preparing the soil and sowing seeds to nurturing the crops and harvesting, students discovered how food makes its journey from the fields to our plates. The activity helped them appreciate the hard work of farmers and understand the vital role of agriculture in our lives. 🌱👨🌾🍷

Discovering the Earth's Movement

Our Grade 3 students explored the fascinating concepts of Rotation and Axis through a simple, hands-on activity. By observing and experimenting, they learned how the Earth rotates on its axis, helping them understand this important concept in a fun and engaging way.

Dams: Powering Life and Progress

Our Grade 4 students explored the importance of dams through an engaging model-based activity. They learned how dams store water, generate electricity, support irrigation, and help control floods. This hands-on experience helped students understand the vital role dams play in conserving water, supporting agriculture, and meeting the needs of communities.
